## BUILDING PERMIT FEE SCHEDULE ADDENDUM

### Special Site inspections

The Inspector will be available by appointment for Special Site Inspections at times outside of his two-day work schedule, as circumstances permit. The inspection charge will be twice the normal rate, and the applicant will pay the Inspector's round trip mileage from his home to the site as the current rate specified by the IRS.

A form will be provided for completion and will provide details of each Special Inspection done indicating date, time, mileage and signature of the permit holder or his/her agent, etc. Compensation will depend upon submission of a satisfactorily completed form.

### "After the Fact" Fees for Permits

For proper approvals and tracking of projects, the State, the Township and other agencies require permits be issued PRIOR TO ANY development, activities or occupancy.

If it is discovered that any project was started prior to receiving the proper permits – the regular permits fee will be doubled for worked already started. Work that does not meet approvals or requirements will be denied, and remediation will be at the expense of the property owner.

For habitual offenders with a history of beginning at least two projects without proper permits, the "After the Fact" fee will be tripled.

Fill in the appropriate lines and return with your application.

## **To Submit an Appeal to the Planning Commission or Zoning Board of Appeals**

If the Building Inspector/Zoning Officer denies your request for a permit, you may appeal that decision to either the Planning Commission (land use permits) or the Zoning Board Appeals (variance requests). To help expedite the process, please included the following items in your appeal:

1. Your permit that was denied by the Building Inspector/Zoning Officer
2. A letter stating the basis for the appeal with your signature
3. Site Plan. A hearing will not be scheduled until this is provided.
4. Appropriate appeal fee: a hearing will not be scheduled until this is paid.
5. If you are unable to attend the hearing, a letter authorizing a personal representative should be supplied.

When an appeal is submitted, a public notice must be posted in the St. Ignace News, and **it must be posted at least 15 days prior to the meeting\*** of either the Planning Commission or Zoning Board of Appeals. The Planning Commission meets on the second Tuesday of each month, and the Zoning Board of Appeals usually meets on the fourth Tuesday of the month if it has a case to determine.

Thank you for your cooperation.
